Library Cards

Library cards are available to anyone 4 years and older who lives in Massachusetts or works in Acton. To get a library card, all that is needed is valid identification with your name and current address.

A library card will allow you to borrow books, CDs, DVDs, and other materials (for free!) from 42 libraries in the Minuteman Library Network, use a number of online resources (for free!), and use the library's computers and other services (for free!).

Home use of some online services is limited to Acton residents, but anyone can use these resources in the library -- for free!
