

Dear Friend,

Would you consider joining or renewing your membership today? By becoming a member or renewing your membership, you help support the following activities:

- annual gifts to all our town and school libraries, nine libraries in all
- passes for AML patrons to approximately ten local institutions, including the Discovery Museum, the New England Aquarium, and the Boston Children's Museum
- special purchases and programming for the Acton Memorial Library, including technology improvements and updates
- scholarships for two or more graduating ABRHS students each year
- a book discussion group, open to all, at the Acton Memorial Library

As a member, you enjoy the privilege of attending our Friday night preview sales, which precede our regular public sales and give members the chance to buy the very best books.

The Friends of the Acton Libraries is a 501 (c) (3) nonprofit organization. Your contribution is tax deductible to the extent allowed by law.
