

Acton Memorial Library Young Adult Volunteer Application Form For students in grades 9 - 12

Young Adult Volunteers are asked to make an ongoing commitment to volunteer for two hours per week at the same time each week. Usually this commitment lasts for the whole summer or for a significant part of the school year and can continue for as long as the student is available. (The Library understands that school and family commitments take precedence over volunteering.) Volunteer hours are recorded and reported to the High School each December.
