COMMONWEALTH OF MASSACHUSETTS.

Middlesex, ss.

On this nineteenth day of November in the year of Our Lord One Thousand Nine Hundred and Fourteen, personally appeared before me, Allen Brooks Parker, a Notary Public, within and for the said Commonwealth, Calvin N. Holbrook, a resident of Acton in said County and Commonwealth, to me personally known, and known to be a person entitled to credit, and who being first duly sworn according to law, doth upon his oath make the following statements.

First, that to the best of his knowledge and belief he was born in the Town of Burlington in the State of Illinois, on the fourth day of May 1847. That his only source of such knowledge and belief is that it has been repeatedly stated to him as the fact by his father, now deceased, and that he has always understood it to be the fact.

Second, that to the best of his knowledge and belief there is no original record of his birth either of a public, church or family character.

Third. and said deponent further says that in about the year 1873, and that he remembers the year as the year he was married, he wrote a letter to the Town Clerk of the Town of Burlington in the State of Illinois, stating that it was his understanding that he, the said deponent was born in that Town on the Fourth day of May 1847, and that he would like to know whether there was any record in that Town of his birth, and that he received from said Town Clerk of Burlington a reply stating that there were no records of births in that Town at that early date. And said deponent says that he does not know where said letter in reply is but thinks it has been lost many years. And said deponent further says that he has been told by his father that he, said deponent, was born in a little log cabin out on the prairie <sup>in Illinois</sup> where his father had taken up a claim, which claim his father did not continue to hold after about 1850. That his mother died 1850 and that his father then went to California to lived where he l

for ten years, or until about 1860. That he, said deponent was put out to live with a family by the name of Huxley at Saint Charles, he thinks, in Floyd County in the State of Iowa, where he lived from the time his father went to California, in 1850, until his return from California in about 1860. And further said deponent says that he lived with his father in Ellensburg in the State of New York from his father's return from California for about two years or until he, said deponent, enlisted in the 17th. Vermont Infantry in the Civil War.

Fourth, and said deponent further says that he has in his possession a family Bible which was printed in 1855, that said Bible is his and has been his for many years and that he had it in 1873, the year of his marriage. That in said year of 1873 he, said deponent, at the suggestion of his father, made an entry of his own birth in said Bible as having occurred at Burlington, Illinois on May 4, 1847. That he then was told by his father that his, said deponent's, birth did occur as stated in said entry. And said deponent further says that he does not know of any family record of any character whatever which will give the date of his birth, but that he presumes his father may have had a family Bible in which such records might have been kept but he remembers of none. And said deponent says that he has a sister, younger than himself, Mrs. Emma M. Boyers of 102 Williams St. Sturgis, Michigan, and that he has written her to ascertain whether, she, his said sister, had any knowledge of a family record showing the date of his, said deponent's, birth, and that a reply from said sister states that she had no knowledge of any such record.

Fifth, and said deponent says that he has no other or further knowledge than the foregoing relating to the date of his birth.

*Calvin H. Holbrook*

Sworn to and subscribed the day and year aforesaid, and I the said Allen Brooks Parker, Notary Public, as aforesaid, hereby certify th

I have examined the family Bible printed in 1855, as stated in the foregoing deposition and that the same contains in a list of births the name of "Calvin N. Holbrook born May 4, 1847 at Burlington Illinois". and that said entry has no erasures or alterations and that the same <sup>has</sup> the apperance of having been made many years ago. And I further certify that I have seen what purported to be a letter from Mrs. Emma M. Boyers, of Sturgis, Michigan, to said Calvin N. Holbrook <sup>received</sup> Nov 2, 1914 in which it is stated that she, said Mrs. Boyers, had no knowledge of an family records and that said letter was signed by said Mrs Boyers as "Your Sister".

My Commission expires February 21, 1921.

Dear Sir

I Enlisted on the twenty first  
day of November 1863, and was discharged  
on July fourteen 1865, served nine-  
teen months and twenty five days.  
My Discharge says I was born in  
Isle La Motte Vermont. That was  
the town I Enlisted from. I was  
born in the State of Illinois but I  
do not know the town

Also my Discharge gives my age at  
time of Enlistment as nineteen that  
is not correct. I Enlisted once before,  
in a New York Regiment but was  
not accepted on count of being too  
young. Then I went to Vermont  
and Enlisted in Co A 17<sup>th</sup> Vt  
Regiment. Capt Brown of Co. A put  
my age down as nineteen, and I was  
Accepted. (he knew my age)

I was born May fourth 1847.  
I was 16 years old at time Enlisting.  
The Attorney who first secured my  
pension for me ordered me to give  
~~to give~~ my age according to the record.

I am receiving fourteen dollars

Chronic Diarrhea.  
I am ruptured on both sides in  
front, have Kidney Trouble, and  
Rheumatism in my right Shoulder  
arm and right leg, so I cannot  
work or even dress myself alone,  
If I am entitled to more Pension
