ATTESTED

## CLAIMANT'S AFFIDAVIT.

State of California County of Sos Angeles, ss:

In the matter of James Wayne

late a Priv in Co. "E" of the 6th  
Reg't of Mass. Inf Vols., for Orig. Inv. pension

On this 4th day of April, A. D., 1898, personally appeared before me, a Deputy County Clerk in and for the aforesaid County, duly authorized to administer oaths, James Wayne, The Clerk, aged 51 years, a resident of Alhambra in the County of Sos Angeles and State of California, whose Postoffice address is Box 200 Alhambra California and well known to me to be reputable and entitled to credit, and who, being duly sworn, declares as follows:

That Affiant, James Wayne is the claimant in

the above-mentioned cause, and that he is in receipt of call from his Attorney

J. B. Crallet & Co. of Washington D.C. asking viz:  
"Your own statement under oath showing when where and under what circumstances you incurred enlarged prostate gland found on medical examination but not alleged by you" &c; and makes answer as follows  
That as Affiant understands his Application for pension under Act of June 27<sup>th</sup> 1890 was based upon the grounds of disability to wit: "Rheumatism and Disease of Kidneys" That he has suffered with his "Kidneys and disease of the urinary organs" for for the last ten years and he supposed "Disease of Kidneys" would cover and include all trouble of the "urinary organs".

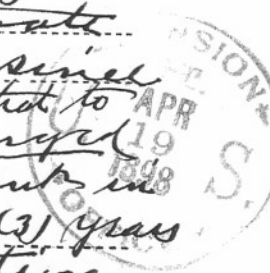

That Claimant cannot state just when where and under what circumstances he contracted "Enlarged prostate gland" but he attributes that injury to "Kidney disease" cold and natural causes

That during the last Eleven (11) years he has resided in Alhambra Sos Angeles County California & followed ranching fruit business & Real Estate and that during the same period and all his life he has been a steady sober moral man of good habits and

"Enlarged prostate gland" is not the result of his vicious habits: That if required he can furnish the testimony of reliable neighbors to establish the fact of immaculate temperate and exemplary habits during and ever since his discharge from said service and that to the best of his belief and knowledge "Enlarged Prostate Gland" is a disability permanent in character and much worse for the last three (3) years

to the degree and extent that even lifting cold or exposure causes much pain in back and region of kidneys and he then passes bloody urine and frequent micturition day and night.
