

The Friends of the Acton Libraries was founded in 1962 and serves a unique mission;

- Give substantial annual gifts to all our town *and school* libraries. Ten libraries in all!
- Fund multiple museum passes provided by the Acton Memorial Library
- Support special purchases and programming for the Acton Memorial Library
- Give scholarships to one or more graduating ABRHS students each year

Members of the Friends of the Acton Libraries enjoy the special privilege of early admission to our triannual book sales, on a preview evening before each sale.
