Adapted from a brochure by the Amesbury Public Library, Amesbury, MA. for use in Acton Memorial Library..

PODCASTS

FOR KIDS

What is a podcast?

Podcasts are streamable/ downloadable audio files, usually produced in series. Podcasts are created on all kinds of topics, for all kinds of listeners, all over the world.

Where can I get them?

To browse available podcasts, just click on the podcast app on your mobile device and start searching. You can also find podcasts in iTunes. Or check out podcast websites to listen to them directly online or to subscribe.

Check the back of this brochure for additional resources.

Act!vated Stories

Actors retell stories from around the world.

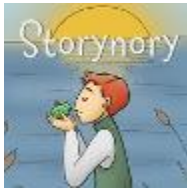

Book Club for Kids!

Get reviews by kids of chapter books they love to read.

But Why?

Kids ask why and this podcast answers those questions.

Storynory

Original and mythological tales retold.

Family Folk Tales

Classic Folk Tales. They may be different, possibly gorier, versions of folk stories you now share with your children.

A Mindful Frog

An Australian frog takes kids on mindful guided meditations all about animals.

Kids Like You and Me

Stories by children about what it feels like to be teased because of differences and also how it feels to be accepted for who you are.

Saturday Morning Cereal Bowl

A weekly podcast of music recommendations for families to listen to together.

Saturday Morning Theater

Stories in the style of old fashioned radio dramas for kids.

Brains On!

A science podcast for curious kids and adults.

Story Pirates

Professional actors and comedians reenact stories by children

Stories Alive

A new traditional story comes to life with each episode.

Circle Round

Story podcast from WBUR for the young and those young at heart.

Tumble

Lindsay and Marshall investigate science questions asked by kids by interviewing scientists.

Wow in the World

An NPR produced podcast which informs kids about really awesome stuff going on in the world with great sound effects!

The Alien Adventures of Finn Caspian

This is an interplanetary adventure that needs to be listened to from the beginning!
